**Andrew Binnell** was a Headteacher of two Church of England Primary (VA) schools, leading the latter to make the journey from serious weaknesses to outstanding (2006 Ofsted Inspection) over a six year period. He founded Impetus Education Solutions Limited 4 years ago and now leads the company with the support of a team of 15 colleagues.

His particular strengths lie in supporting schools in making the journey from good to outstanding utilising the vast range of experiences and resources he has developed in making his own journey as a leader.

His approach has been honed through working closely with schools across five local authorities, including Essex as a School Improvement Partner. In this role he has supported a further 25 schools make the successful leap from good to outstanding over a period of almost 10 years.

Andrew is a Registered Church School Inspector. He has led over 55 Inspections of church schools across the East of England
