**Session Four:** Linking your data priorities to your School Development Plan

**Iain Gunn** is the Headteacher at St Peter's C of E Primary School, an Outstanding school in Brentwood, Essex. Iain is a National Leader of Education and St Peter's is a National Support School. The school works with, and supports a number of schools in Essex, and a number of London Boroughs. Iain has a love of mathematics and still manages to teach every day. The school specialises in helping others analyse and take ownership of their data so that they are empowered to develop the setting that they are in. St Peter's also develop innovative ways to deliver the curriculum and to develop teaching and learning. Iain is also a Section 48 inspector.

**Andrew Binnell** was a Headteacher of two Church of England Primary (VA) schools, leading the latter to make the journey from Serious Weaknesses to Outstanding (2006 Ofsted Inspection) over a six year period. He founded Impetus Education Solutions Limited 5 years ago and now leads the company with the support of a team of 16 colleagues. His particular strengths lie in supporting schools in making the journey from good to outstanding utilising the vast range of experiences and resources he has developed in making his own journey as a leader. Andrew is a Registered Church School Inspector.
