

Mathematics Subject Leader Termly Updates

Session 3– 4 June 2019: 4:00-5:30pm

Led by: Janine Blinko, Impetus Consultant

Venue: TBC

Audience: Maths Subject Leaders, Senior Leaders

Cost: £60 per person +vat

Programme

This session will focus on:

Focus: Updates: What greater depth means in mathematics? / sharing good practice in evidencing greater depth

There will be a further session in the Autumn term (2019) and onwards covering relevant up to the minute developments in mathematics and providing opportunity for delegates to share practice.

Janine Blinko works as a consultant both independently and with other experienced consultants. She has worked in primary mathematics for many years at many different levels including: subject leader; advisory teacher (ESG funding); deputy head teacher in a large primary school; assessment writer for the National Tests and NFER; senior lecturer, teaching post-graduate trainees, and GTP trainees; author of articles and curriculum materials; CPD provider for a range of LAs and organisations; researcher for QCDA and the NCETM; and a consultant for BEAM Education, Osiris and Smar+. Janine has a particular interest in Lesson Study as a highly effective form of CPD, and is actively involved in promoting children's and teachers' enjoyment and positive view of themselves as creative learners of mathematics and is convinced that all children (and teachers) can be successful and happy mathematicians.
