

The Children's Health Project

Follow up Twilight for the new Relationships and Health Curriculum 2020

Tuesday 10th March 2020

Facilitated by Ilse Brockling and Andrew Binnell

Audience: Members of SLT, Subject Leaders of PSHE, PE, Science and DT, Healthy Schools Co-ordinators, SENCOs,

Focus: To continue to support schools with their preparation for the new statutory Relationships and Health Curriculum 2020, and Sex Education expectations.

Cost: £75 +VAT for each delegate

Venue: Moulsham Infant School, Princes Rd, Chelmsford CM2 9DG

Time: 4pm – 5:30pm

You have attended at least one of the twilight sessions, held previously, looking at preparation for the new curriculum expectations and statutory changes for Relationships Education, Sex Education and Health Education (RSHE). This follow up session will act as both an information session and workshop, helping to meet your specific needs as a school. We will work in groups to ensure you are supported at whichever stage you have reached, giving clarity on next steps. Ilse will talk you through a way of managing all new Relationships and Health statutory criteria in an already full curriculum for Health and Wellbeing – in PSHE, PE, Science, DT, RE and all the wider enrichment opportunities your school offers - providing insight into how schools can avoid duplication. Please bring your PSHE and Sex Education resources with you if you would like to check coverage. We will explore more vocabulary linked to the new curriculum and knowledge progression through each year group. Subject Leaders for the new curriculum will be supported to address any development areas from the action plan shared in the last twilight session. We would like this session to fully meet your needs, so please ensure you share any requests when booking the follow up session with Lesley (details below).

We would recommend attending as a team of SLT & Subject Leaders, so you can take responsibility for your subject criteria and ensure everyone is updated.

Ilse Brockling is the Founder and CEO of The Children's Health Project CIC, a not for profit organisation that works with schools to develop a whole school curriculum and enrichment approach to mental and physical health, and offers an online Academy, including lessons plans, resources and training to support Subject Leadership and education of Health and Wellbeing through PSHE, PE, Science and Food Technology. Over 150 schools, from across the UK, are involved in The Children's Health Project in various forms. In 125 schools, The Children's Health Project has trained a Health Ambassador who leads on Health and Wellbeing Education, working in collaboration with Subject Leads and Senior Leaders. Ilse has worked as a teacher and consultant in Primary schools for 17years, and consults for Impetus on PE, Health & Wellbeing and the new Relationships and Health Curriculum.

Andrew Binnell was a Headteacher of two Church of England Primary (VA) schools, leading the latter to make the journey from serious weaknesses to outstanding (2006 Ofsted Inspection) over a six year period. He founded Impetus Education Solutions Limited 4 years ago and now leads the company with the support of a team of 15 colleagues. His particular
